

REMARKS

This preliminary amendment is filed in order to limit the claims of this application to a single invention, and is in line with the International Search Report and the Preliminary Opinion on Patentability issued in the PCT patent application from which this application was filed. Copies of the International Search Report and the Preliminary Opinion on Patentability are submitted herewith under separate cover.

The Examiner is encouraged to contact the undersigned by phone if questions remain after consideration of this Preliminary Amendment, or if such would otherwise facilitate prosecution.

Respectfully submitted,

Andrew S. McConnell
